For the season	8.03

Price 5c Per Copy

That we are especially grateful to business this week for the interest shown in where we could move our office when it was necessary to move from the present location. Thanks to all of you for your splendid cooperation and suggestions. We hope to grow with the town and eventually have a "print shop" all our own.

That we stop to wonder once in awhile what happened to John Adlington, former shoe repair man here. He stopped by about six weeks ago with rather disturbing news from the doctor that all was not well and we haven't heard since. Cypress is not so far from Stanton, John. Leave us know, and don't work so hard.

That the doctor has been stern with his advice to Phil Blachof, too. That genial jokester hides the misery he suffers from sinus trouble with a pseudo gaiety which disguises his real feelings.

That Earl Sartwell has done it again. It's another gem drill, but designed for a different purpose this time than his original invention. We'd tell you more about it, but machinery is a mystery to us.

That it was with real regret that we watched the Gus Ehrig family drive through town Saturday morning headed east, pulling their trailer and bound for home. If Florida doesn't call too loudly next winter—head for California and Cypress again next winter.

That misfortune has visited Dean Barwick, we hear. In his treasuring business he somehow or other became entangled with that lowly weed, the poison ivy—but with what sad and tragic results. It is hoped that by now he is entirely recovered, instead of covered, which was the way we heard.

That little Franiece Joan Harvey will have to forego that very important "first", her birthday party. She is confined at home with the measles! Next year, when her second birthday anniversary rolls around, maybe she'll have better luck.

That our baby brother is headed California way—having been graduated last Saturday from Iowa State college's school of journalism. We wouldn't go so far as to make any promises, but we think there's a spot for him in Cypress. Don't you? We've been planning next week's edition for several weeks now, and while it won't be spectacular, we hope you'll like it. That is, if the minstrel show tonight and tomorrow night isn't so realistically southern that it takes away all of our reserve energy.

That our little dog, Heidi, is visiting her relatives in Los Angeles and we really miss her. Have you?

That Pat Arnold chopped the end off his finger. It happened early in the morning as he was opening his place of business, and the offending cause was the newspaper rack. His misfortune will not materially delay the completion of the new four-store building. You see, it was his left hand.

Unique Road Sign Planned For City Limits of Stanton

The highway signs announcing the community of Stanton which will be placed at the north and south approaches to the town by the Chamber of Commerce, and which will also bear the emblem of the Lions club, will soon be in place. In an effort to slow down the traffic through the center of town, the chamber plans to post a large sign on top where all may see, "Thou Shalt Not Kill."

The most important project to be undertaken at the present time is the organization of a volunteer fire department. With the cooperation of all the citizens of the community, the chamber feels it will not be too difficult to obtain a site for a fire station. They have taken an active part in protesting against the discontinuance of passenger service on the Pacific Electric line to Santa Ana, which serves Stanton, and through the cooperation of the local Boy Scout troop, a census of the town was recently completed. According to their figures, the population of Stanton is 2369 and the number of homes is 563.

COUNTY LISTS POLIO VICTIM IN BUENA PARK

A 29-month-old Buena Park boy was listed by the Orange county health officer as 1949's second victim of infantile paralysis, which last year assumed epidemic proportions but which in recent months has been all but overcome.

Dr. Edward Lee Russell, the health officer, said that the case is "mildly involved" and that the lad is under treatment at his home at this time.

The name of the infant victim was not revealed.

Jean Kreissler Elected New V.F.W. Auxiliary President

Jean Kreissler was the happy choice of members to head the auxiliary to Cypress post No. 9847 of the Veterans of Foreign Wars at its meeting to elect officers for the coming year last Thursday evening. Dorothy Smith, retiring president, served the organization faithfully and well during a trying period of institution and organization less than a year ago. Others were re-elected to serve again. The complete roster of unit elected officers is as follows: Ruth Mitchell, senior vice president; Margaret Dye, junior vice president; Ann Wedeking, treasurer; Olive Williams, chairman; Virginia Daniels, conductress and Louise Begley, secretary. Betty Knauss was elected to serve as three-year trustee.

Appointive offices filled by the president-elect were secretary, Ellen Jennings; color bearers, Della Priddy, Lucille Christopher, Katherine Loney and Frances Demaris; flag bearer, Betty Knauss; banner bearer, Hazel Lutz; patriotic instructor, Zelith Hathcock and historian, Ruth Mitchell.

Margaret Dye volunteered to take the place of Ann Lucas, hospital chairman, at the next visit to the hospital ward at Sawtelle which has been adopted by the auxiliary. Making the trip with her were Katherine Loney, Dorothy Smith and Lucille Christopher. A birthday dake for those having anniversaries during March was donated by Betty Knauss and cup, cakes, stamps, stationery and cigarettes were also taken to the boys as well as hospital pads for use in the wards.

A delegation from the VFW post attended the meeting to invite the auxiliary to share the use of the building recently rented for a meeting hall. They suggested that assistance would be welcome in decorating and furnishing the quarters. It was decided to join the post in a pot luck supper when it met last evening. Appointed on the committee were Hazel Lutz, chairman, and Betty Knauss, Ann Wedeking and Della Priddy.

HOST COUPLE ARE SURPRISED WHEN CLUB ENTERTAINED

Members of the Junior Woman's club and their husbands met Saturday night in the home of Mr. and Mrs. Glenn Miser of 1048 Ananda street in Hawaiian Gardens for a special evening, beginning with a seven o'clock contributed dinner.

After playing a number of games and charades in charge of Mrs. John Lukens, as a surprise, the Misers were given a string which they were told to follow and which led to a cache of gifts in Chinese motif for their newly completed den.

Attending the pleasant affair were Messrs. and Mesdames James Palmer, John Lukens, Howard Minnick, George Gamble, Robert Murray, Lawrence Gaylord, Bennie Pugh, Karl Beason, Norville Chapman, Dubert Laird, George Costa and son, Ronnie, George Marshall, Leslie Brannan and children, Ralph and Shirley Miser, and the host couple.

QUEEN CONTESTANT — Shown above is Miss Lois Rohrer, one of the many Orange county lassies competing for a chance to be "Queen of the Rodeo" at the big professional rodeo and wild west show to be staged at Huntington Beach stadium on May 29 under the sponsorship of the Veterans of Foreign Wars. Miss Rohrer represents the Westminster VFW post.

Mazens Have An Interesting Tale Of Experiences

Mr. and Mrs. David Mazen have been guests the past few days in the home of her sister and brother-in-law, Mr. and Mrs. L. D. O'Halloran on Orange avenue. Formerly of Nome, Alaska, the Mazens have been visiting with friends and relatives since they "came out" December 15 after having been absent from the states for twenty-three years. Their car was shipped on the last boat out in the fall and they left the country by plane for Seattle. Mazen served as postmaster in Nome. They have bought property in Oregon and plan to remain in the states.

While sight-seeing in Hollywood last week, the couple visited the Kay Kyser show now being broadcast from the west coast. They were chosen to be interviewed over the air and received a set of beautiful luggage. The show will be aired on the program April fourth.

When the Mazens left Alaska in December the mercury dropped to 41 degrees below zero that day, the coldest on record. However, word received from friends there indicate that in January the weather was warmer and more clement than may days which visited the northwest part of this country in a similar period.

Religious Rally Monday Night In School Assembly

Featuring the Southern California Bible college band in uniform, and a seventy-voice choir, a rally will be held here Monday evening, March 28, in the Cypress elementary school auditorium, beginning at 7:30 o'clock. Clarence G. Elgenhuis, of the local Faith Tabernacle, the host pastor to the Christ Ambassador rally, announces that the public is cordially invited to attend and enjoy this evening of outstanding sacred music, fellowship and a stirring message from the word of God by the Reverend Tom Cunningham. His message is directed to the YOUTH of today.

Ralph Carmichael, youthful director of the Bible college band, has won much recognition as a gifted arranger as well as a leader, and can be heard on various radio broadcasts, along with his talented wife, Evangeline Carmichael, "the girl with the singing heart."

The Reverend Mr. Eigenhuis states that a series of revival meetings will follow the rally, beginning on Tuesday evening in the Faith Tabernacle on Lincoln avenue.

Officers of the Teen-Canteen, who have planned and carried out the group's organization in Cypress, are shown above. Left to right they are, (lower row) James Hedgecock, treasurer; Gloria McKinzie, president; Laverne Stanley, secretary; and Betty Lantz, reporter. (Upper row) Marian Simmons, reporter; Carol Dewell, reporter; Whitney McLaughlin, vice president; and Russell Noe, public relations. Not pictured is Pat Shedore, sergeant-at-arms. Stan Doerr, Cypress business man, is co-ordinator and Herb Mandel is advisor from a similar group in Artesia. (Anaheim High School Photo.)

TEEN - CANTEEN ANNOUNCES BIG TALENT SHOW FOR APRIL 2

CYCLING ADVENTURER TO BE PRESENTED ON ANAHEIM FORUM

Stan Midgley, the cycling cinematographer, will present a color film travelogue of his bicycle trip through the San Juan mountain country at the Anaheim Public Forum Monday, March 28. The illustrated lecture will begin at 7:30 p.m. in the high school auditorium.

The San Juan mountains, a forgotten corner of Colorado, holds pictorial as well as historical interest, according to Midgley. "A trip through this country is like a journey into a past century or into a foreign country," he reports. Among the scenes of historic interest are old narrow-gauge trains, quaint old ghost towns in all stages of decay, and the prehistoric Indian ruins of Mesa Verde.

Army and Navy Offer Duty To Qualified Men

The U. S. Naval reserve has received authority to open procurement of civilian candidates for appointment for inactive duty in accordance with public law 732 enacted by the 75th congress. Applications are desired from college graduates especially between the ages of 19 and 40 with engineering backgrounds or experience in aeronautics, electronics and jet propulsion and from post graduate college men possessing engineering degrees. Candidates are required to establish mental, moral and professional fitness, their officer-like qualities and their aptitude for the naval service by means of interviews, investigations and a review of their high school, college and employment records. Further information and applications may be obtained from and processed through the Office of Naval Officer procurement, room 503, 626 south Spring street, Los Angeles 14.

ORANGE COUNTY FAIR ASSURED OF HOME IN W.A.A. TRANSFER

Orange county Friday was assured of a permanent fair grounds and a huge year-round recreational area when the War Assets Administration approved transfer of 175 acres of the Santa Ana Army Air Base to the 32nd District Agricultural Association.

Informing of the WAA action to transfer the land and 127 buildings to the fair board, W. F. Croddy, chairman of the grounds committee, said that action to begin work on a permanent fair grounds will be started immediately with the fair to be staged on the Newport Blvd. property this fall.

The tract of land and buildings were appraised at \$260,000 by the WAA and will be sold to the fair board for one-half of that amount, \$130,000. L. A. (Dan) Patch, treasurer-manager for the fair report- ed. Patch added that sufficient funds are on hand to pay for the entire transaction, but that only 20 per cent will be paid at this time and the remainder at 10 per cent a year for 10 years. The money comes from the state's percentage of the horse racing pari-mutuel fund.

STANTON PROPOSES TO ESTABLISH INDUSTRIAL ZONE

Stanton, which with three railroad lines should be the industrial heart of West Orange County when sewers are available, should reserve its entire southern half for industries and retain the northern portion for homes and businesses, according to a committee of representative residents which met recently in the home of Edward Faulkner at request of the chamber of commerce.

As a special feature, the members of the Teen-Canteen, an organization in Cypress recently formed for boys and girls of teenage, have planned a talent show for Saturday evening, April 2, in the Cypress school auditorium. Parents and friends are cordially invited to attend and share in the fun of this activity. There will be no charge, but any contributions to the cause at any time will be gratefully accepted by members of this local youth organization. The show has already been arranged, and a dance will follow in the utility room. All those who care to attend will be welcome.

Activities of the Teen-canteen will be cancelled this week-end because of the minstrel show being sponsored on Friday and Saturday nights by members of the local P.T.A.

The low-teens enjoyed one of the largest groups last Friday night yet to assemble for the weekly party. Present also were visitors from Savanna elementary school. Sale of refreshments, by which the groups expect to become self-supporting, netted about ten dollars. Chaperones were Mmes. R. W. Flynn, Veronica Murphy, H. P. McKinzie, Garvin, and Art DeVahl, Stan Doerr and Herb Mandel, of Artesia.

The high-teen group on Saturday night was attended by over 200 young people. Included were guests from the Artesia canteen, about forty in number. There were also teen-agers from schools adjacent to Cypress. The high-teens netted a similar amount for the organization's treasury.

Present at the affair Saturday evening were chaperones H. P. McKinzie, Vic Konig, Art DeVahl, Jimmie Wright, Stan Doerr and Herb Mandel, from Artesia, and six mothers from Cypress and two accompanying the Artesia group.

The Fashion Shop Opening Planned Friday, April 1

ERNESTINE ADAMS EMPLOYED AS MANAGER

The grand opening of the new "Fashion shop" in Cypress has been announced by the management for Friday, April first. It is stated that the stock will be held strictly to nationally advertised, one-priced merchandise.

One of Cypress' own residents, Mrs. Ernestine Adams, has been employed to operate the Fashion shop. Wherever possible, the town is assured of a local person being considered first as the shop's staff is enlarged, it was learned.

The owners of the new store have many years' experience in retailing. Mr. and Mrs. Phil Sheldon have a store in Los Angeles and are well known in Artesia where they now operate "Billie's dress shop." Sam and Sol own and operate the "Artesia men's and boys' clothing store." They all operated large stores in the east before coming to California.

Sheldon announced that all suggestions from customers will be appreciated. They have only to mention preferences for special name-brands and the Fashion shop's policy—that of doing business only one way, the finest, will be carried out. The Fashion shop's prices are guaranteed and customers must be satisfied or money refunded. He says if it is shown in your favorite magazine, seen on your television set, or mentioned on your radio, it is in stock or available to the purchasing department. The Fashion shop will be happy to cooperate with any of the local women's clubs in staging the popular fashion shows, the management asserts. He especially emphasizes that with the Fashion shop's policy of carrying one-priced merchandise, customers may avoid the hustle and bustle of city buying and shop at home. The store solicits telephone and mail orders. All requests are filled promptly, and there is no extra charge for delivery service.

An idea of the items which the public may expect to find in the Fashion shop are listed in this week's issue of the paper. The interior of the store has been newly decorated and attractive fixtures for displaying merchandise installed. Wherever necessary, stock will be kept in dustproof protectors. Fluorescent lights have been placed strategically throughout the building and the show window is being enlarged and modernized to allow for an attractive display of merchandise to the public.

VFW Sponsored Mammoth Rodeo Memorial Day

Cypress Veterans of Foreign Wars Post No. 9847, commanded by Charles W. Biggs, will cooperate with other Orange county VFW posts in staging the big professional rodeo at the Huntington Beach stadium on May 29. Some 30 Orange county posts are behind the plan.

World's champion cowboys from all over the nation will participate in the exciting rodeo and the country's top-flight bucking broncs and fierce brahma bulls will be brought to Huntington Beach stadium to give the cowboys a ride for their money.

The big show is being staged on Sunday, May 29, as a part of the annual Memorial Day celebration.

CALIFORNIA INCOME TAX RETURNS DUE BEFORE APRIL 15

Charles J. McColgan, Franchise Tax Commissioner today warned new residents of California of their possible liability to file returns under the California Personal Income Tax law. The returns must be turned in on or before April 15.

Individuals who are in California for other than temporary or transitory purposes are considered to be residents of this state and are required to file a return if their net income for any year subsequent to 1944 equals or exceeds their personal exemption, \$3,000 if single and \$4,500 if married or head of a family. Any individuals who are uncertain as to whether they are residents or nonresidents of California for income tax purposes are requested to write to Charles J. McColgan, Franchise Tax Commissioner, Sacramento, California, or call at any of the several branch offices that are maintained by the Commissioner throughout the state.

Sundries Sold To Druggist By Stan Doerr

Mr. and Mrs. Stan Doerr, who have operated "Doerr's Sundries" for the past four years, have sold their business to George Henry, who lives in Fullerton. The Doerrs completed their fourth year of ownership on March 12, having purchased the business from Elmer Koepfen.

Henry is a registered pharmacist, and has been doing relief work for the Fullerton drug company and the Harris drug store. Prior to that he operated Henry's drive-in restaurant between Anaheim and the county hospital, now known as "Lee's drive-in," for five and a half years.

The new owner will carry a complete line of pharmaceutical items and is well-qualified to fill prescriptions. He will continue to operate the soda fountain and lunch counter. Alterations and changes in the arrangement of the store for a prescription department will be made soon. Henry will take possession after April 15.

Mr. and Mrs. Doerr will continue to reside on Lincoln avenue until after school is out this summer. Tommy is a student in the fifth grade at Cypress elementary school. Stan has been an ardent worker in civic affairs and it is hoped the family will continue its interest in community events after relinquishing their business interests here.

R. C. McFadden

Robert C. McFadden, native son of Placentia, citrus rancher, and assistant vice president of the Southern California Edison Company, was elected a vice president of the company at a regular meeting of the board of directors March 18. The announcement was made by W. C. Mullendore, Edison Company president.

Mr. McFadden attended school in Placentia and Fullerton, and is a graduate of Stanford University. He has been associated with the Edison Company for thirty-three years, first joining the company in 1916 in Ventura county as a sales engineer.

DEMONSTRATORS MAKE DRESS IN 28 MINUTES AT STANTON MEETING

After announcing that they would assemble a woman's blouse in 30 minutes, Misses Marian Prentiss and Robin Burr of the county home extension staff trimmed two minutes off their own time and did it in 28 minutes, at a Cypress-Magnolia Farm Center meeting near Stanton Monday.

Miss Burr did most of the work, with Miss Prentiss speaking all the while on shortcuts in making clothing.

Notice

Until further notice, the office of the Cypress Enterprise will be located temporarily at 5506 Lincoln avenue, two doors to the west of its present location on the south side of the street. The sign will be changed to the new location this week-end and the telephone number is Anaheim 60355. The Enterprise has been granted desk space in the store building by Frank and Foster Ore and Jimmie Moss and will carry on business as usual.

CALENDAR

Organizations wishing to have meetings or special events listed in this weekly calendar are invited to contact the office of the News, Buena Park 421, with their information.
THURSDAY—MARCH 24
Cypress VFW—7:30 P.M.—Schoolhouse.
SUNDAY—MARCH 27

Cypress Chamber of Commerce—8:00 P.M.—Cypress School.
Cypress Boy Scouts—7:30 P.M.—Schoolhouse.
Los Alamitos American Legion & Auxiliary—Congregational
Los Alamitos Chamber of Commerce Board of Directors—8:00 P.M.—321 Howard St.
TUESDAY—MARCH 29
Los Alamitos Boy Scouts—7:00 P.M.—Laurel School.
WEDNESDAY—MARCH 30
Cypress Nazarene Church Prayer Meeting—7:30 P.M.
Los Alamitos Cub Scouts—2 P.M. at Homes of Den Mothers.

P.-T.A. Minstrel Gives Performance Beginning Tonight

TALENT GALORE PLUS THOSE DIXIELAND TUNES

It's "on stage" tonight (Friday) and tomorrow evening when the cast of one of the biggest home talent shows ever produced in Cypress appears in a minstrel show under the auspices of the Cypress elementary school P.T.A. President of the organization, Mrs. Dorothy Lukens, and her committee have been busy for the past month rounding up members for a production which promises to set a precedent for fun and entertainment. Under the direction of Mrs. Howard Decker and Mrs. Georgia Wiaschin, the black-faced comedians and their "interlocutor," Jimmie Moss, go "into their act." Proceeds from the entertainment will be added to the P.T.A.'s treasury, and the financial arrangements have been the responsibility of Mrs. Arnold Holborow and Mrs. Jack Junker, co-chairmen of the ways and means committee.

The show boasts a chorus of 30 members, and will include several specialty acts. D. C. Dillingham will sing "Old man river," and Life Page, former vaudeville star who now lives near Cypress, will dance. A soft shoe number will be presented by Al Wilson. Another dance number will be performed by Mrs. Madge Lyen and her son, Lynn. Mrs. Arnold Holborow solos with the popular "Mighty lak a rose," and will be accompanied by the chorus in a negro spiritual.

There will be a quartet, and part of the fun lies in not telling who the members will be. And highlighting the entire evening's entertainment will be the antics of end-men Carl Sanders, Jr., Vic Konig, E. C. Corby, Clyde Arnold, Lee Stradley, and whoops, end-lady Leona Murdock. So, come one, come all, come early. For the whole family. Tickets may be purchased from any of the P.T.A. members, or buy 'em at the door, fifty cents for adults and twenty-five cents admission for kiddies. Bring a little extra "pin money" for intermission when members of the cast will pass through the audience to sell peanuts. The performance starts promptly at eight p.m., in the school auditorium.

Cypress Sailor J. E. Smith Aboard "Story Book" Ship

Aboard one of the three vessels which carry a combined complement of 1004 men, including 12 civilian scientists, is one of Cypress' popular VFW members, serving with the U. S. navy. Sailor Jesse E. Smith is aboard the USS Norton Sound, the navy's "Buck Rogers" experimental ship conducting rocket-firing tests in the Pacific. Specially-fitted to fire rockets from her decks, the Norton Sound's mission is to conduct tests with Aerbee rockets and to obtain data concerning cosmic rays in the upper atmosphere.

According to the ship's captain, the schedule called for being in the vicinity of Lima at about this time. The flotilla was reported due to leave there about March 29. Prior to the firing of the rockets, the whole area around the vessels was to be thoroughly searched by two helicopters carried by the Norton Sound in order that no shipping would be endangered. It is estimated that the "Aerbee," a true rocket, will gain an altitude up to 78 miles and attain a speed of about 2000 miles an hour.

Intermittent word from "Smitty" indicates that he is thoroughly enjoying his tour of duty. In all of his 26 years with the navy he has never before known the thrill of visiting such "far-away places" or had such strange experiences. The Smith's live at 5701 Bonnie Lane.

READ THE HEADLINES

Is fire prevention worth the effort? Don't answer that question offhand — give it some thought first. Here, to aid your thinking, are a few headlines, taken verbatim from papers in various parts of the country. "Three Children Killed in Brooklyn Fire; Found Clasped in One Another's Arms." "Family of Seven Dies in Burning Home." "Fire Kills Two Babies as Stove Overturns." "Woman Revives, Finds Four in Family Suffocated." A list of such gruesome headlines could be extended indefinitely. In the course of an average year, fire kills over 10,000 people in this country. It permanently disfigures many more. It maims others for life. And its toll is especially great among young children, who don't know what to do when fire strikes and there's no one about to help them. When it comes to economic waste, fire makes appalling records. Direct money loss runs to \$700,000,000 a year and more. And the indirect waste, which cannot be exactly figured, is estimated at two to three times that sum. And no one can measure the human problems which arise when fire costs a man his home or his job. Where will the next headline telling of death and destruction by fire originate? It may be a thousand miles away — it may be in the next town — it may be in your home. Now decide whether fire prevention is worth the effort.

Let us all be happy and live within our means, even if we have to borrow money to do it with. — Artemus Ward, Natural History.

The worst cliques are those which consist of one man. — G. B. Shaw, Back to Methuselah.

I RISE TO REMARK
By John Phillips

A few weeks ago I made notes at an interesting meeting, and wrote my weekly letter on the effects of national socialism on the economy of England. I sent the draft to Mr. Cecil Palmer, the speaker, asking him to check my figures. He has returned it to me, with several corrections. Most of the corrections are slight; for example, where I said 2599 physicians in England, having been drawn into socialized medicine, have joined an organization called "Freedom in Medicine," he corrects it to "Fellowship of Freedom in Medicine." Where I had noted that the "development tax" required a payment of \$800 to build, Mr. Palmer made it "a development tax ranging from a few hundred dollars for a chicken coop to thousands of dollars for a factory." There were two important corrections. I used the word "pounds" (of coal) in giving production figures, wondering at the time why the English used so small a unit, not realizing this was a slip of the tongue. The figures for coal should be TONS, just as for steel. Please correct that. The other correction is important: I had written "40%" when it should have been 14%. The resulting change is so interesting I repeat the comments here. Coal was one of the first industries nationalized. Steel is still free. In 1938, before socialization, COAL produced 227 million tons, and steel produced 10 1/2 million tons. In 1948, 10 years later, COAL was given a quota by the socialist government of 211 million tons (which you will note was LESS

than 1938) while STEEL, still free, was given a quota of 14 million tons, or half again its 1938 production. Yet COAL actually produced only 208 million tons, and STEEL produced over 15 million tons, the greatest output in the history of the industry. Coal prices are up 145%, since prewar, while steel prices are up 70%. (My earlier memo said 7%.) Coal workers have increased from 718,000 to 726,000. In the first year of nationalization, the coal industry lost \$44,000,000. I wanted to tell you what is happening in Ecuador, with socialized medicine. I haven't space. Instead, I'll amuse you with an example of how specialized medicine works. England has bald headed men, just as we have. Barring the fact they all have to put up with being called "Curly" by their friends, it was considered no great calamity. Under socialized medicine, baldness is a disease, and although Englishmen since the days of King John have bought their own wigs, if they needed them, and cleaned them for themselves, the British government now buys, not one, but TWO wigs for each bald headed Englishman. That cost the taxpayers \$4,000,000 in American money. I intended only to translate that into terms of our currency, but perhaps I was more nearly right than I intended! Further, the administration, in England, not only buys wigs, but pays to have them cleaned and brushed every two months, at an additional cost of \$400,000. Great are the wonders of bureaucracy! I am indebted to Congressman Ralph Gwinn of New York for that choice bit of information.

School Vacation

Although still a couple of weeks away, parents are reminded that the school's Easter vacation begins Friday, April eighth, and that school will commence again on Monday, April 18. Miss Elizabeth Dickerson, district school superintendent, will attend the principal's meeting in Santa Cruz beginning on Sunday evening of the vacation week and lasting through Wednesday night.

New Custodian

Warren Ter Beest, genial, jolly local resident who is secretary of the Cypress volunteer fire department will begin his newest duties as school custodian on April first. Ter Beest replaces Charles Colvin, who has served in his position for twenty-one consecutive years.

Hurray! A Play!

The annual eighth grade play is scheduled for Thursday evening, April seventh, in the school auditorium, at eight o'clock. The class Theopians will present, "Twixteen."

Cypress High In Building Permits

Building permits issued by the Orange county building department during the last week, showed Cypress among the leaders for unincorporated areas. The permits here included the following: R. T. Lee, home at 9622 Miller road, \$13,000; M. Cota, dairy barn at 9311 Grindlay street, \$13,000; Herman Labahn, home at 9691 Graham street, \$4200; and M. Alameda, milk house at 5311 Orange avenue, \$3800.

Immunizations

On Tuesday, April fifth, the third and final shot in the present series of immunizations will be given in the teachers' room of the Cypress school. The doctor will be here in the morning, as heretofore. Mothers who have not taken advantage of this opportunity to start the immunizations are reminded that they may bring their children to the school on April fifth for the first shot, and follow with the required booster shots at the county health department offices in the court house in Santa Ana on Saturday mornings.

NEW STORAGE BLDG. TO BE CONSTRUCTED

It is planned to build a building at the rear of the school house to care for the increased need for more storage space. The bid will be let on April first and the work should be completed by May first. After the cement floor has properly dried and settled, the corrugated iron structure will be quickly finished.

This action on the part of the school board will make the scout house once more available to those groups who wish to use it.

RACING THE TRAFFIC LIGHTS

Some motorists seem to take great delight in racing the traffic lights at busy intersections, points out the National Automobile club. Apparently they feel that if they make it across that intersection at fifty miles per hour while the lights are changing from yellow to red they are gaining themselves a few minutes time. Such a motorist should stop to consider what good it will do him to gain a minute if he loses his life.

Give Arthur King Farewell Party

A farewell party was given the Reverend Arthur King by the T. R. Morris at 6842 Crescent avenue, near Cypress, last Friday evening. The Reverend Mr. King has resigned as pastor of the First Baptist church here, and has accepted an invitation in the Baptist church at Highland Highway. The evening was spent in playing games and refreshments of ice cream and cake were served by the hostess, at the close of a pleasant evening.

Present at the affair were the Reverend and Mrs. Arthur King and Wayne, Ann, and David; the Reverend and Mrs. McKinzie, from Buena Park; W. C. King, of El Reno, Oklahoma, the honoree's father; Thad Harroun, of Anaheim;

A LETTER TO THE EDITOR

Editor,
Cypress Enterprise:
The Board of Directors of the Associated Chambers of Commerce of Orange County wish to compliment you and your newspaper for the fine publicity given to the recent Orange County Bond election. All Orange county newspapers cooperated splendidly, and we feel that your help and guidance provided the spark that gave Orange County its biggest victory from a bond campaign standpoint. Our entire Board of Directors voted their wholehearted approval for your generosity in helping us to bring about the desired results. We want you to know that we sincerely appreciate your cooperation. Cordially yours, William H. Gallienne, Executive Secretary.

ENDURANCE FLIERS IN RECORD ATTEMPT

Endurance fliers Bill Barris of Buena Park and Dick Riedel of Midway City have completed better than a fourth of the time necessary to beat the existing record of 726 continuous flying hours. Wednesday the fliers reached Miami, Florida, in their ninth consecutive day in the air. They expect to begin the return trip to California today.

"New Look" For Tustin's Summer Theater

Norman Mennes, Holiday Stage production co-ordinator, this week began his designs and plans for the change-over of the Tustin high school to a professional theater. On the evening of Monday, June 27, the first production opening a third summer season of ten weeks will be presented, for the entertainment of Orange county. Preliminary sketches call for an intimate, cozy lobby with a circus motif of decoration, interspersed with large-sized photographs of the company players. The patio, where coffee and refreshments will be served outdoors during the intermissions, will emerge as a bower of plants. Every plan for the delight and comfort of the public is being considered by Mennes and his staff.

Mrs. E. R. Wright, Mrs. A. A. Kolosky, Mrs. Bill Almond, Mr. and Mrs. Troy Stinson, Mrs. Bessie McCoy, Tom Dooley, and Martha, Betty and Tom Fleeman.

NOTICE OF ELECTION FOR MEMBER OF THE GOVERNING BOARD OF THE CYPRESS ELEMENTARY SCHOOL DISTRICT

NOTICE IS HEREBY GIVEN TO THE ELECTORS OF THE Cypress Elementary School District of Orange County, California, that the Annual Election for members of the Board of Trustees of the Cypress Elementary School District will be held on the third Friday of May, viz May 20, 1949.

It will be necessary to elect one member. The polling place for said electors of the Cypress Elementary School District will be at the Cypress Elementary School in the Cypress Elementary School District.

The polls will be open between the hours of 12 o'clock noon and 7:00 o'clock P.M.

The officers appointed to conduct the election in the above-named Elementary School District are:

- Mrs. Julia E. Bouse Inspector
- Mrs. Dorothy Lukins Judge
- Mrs. Hazel M. Palmer Judge
- /signed/ D. T. MACKAY Clerk/Secretary

March 16, 1949. (Publish Buena Park News March 17, 24, 31, 1949.)

NOTICE INVITING BIDS

NOTICE IS HEREBY GIVEN that the Board of Trustees of the CYPRESS SCHOOL DISTRICT of Orange County, California, will receive sealed bids up to 7:00 p.m. o'clock on the 1st day of April, 1949, at the office of said School District, 5202 Lincoln Blvd., P. O. Box 157, Cypress, California, at which time said bids will be publicly opened and read for the furnishing of all materials, labor and services for the following:

Construction of a storage building, using Corrugated Iron siding,

or Construction of a storage building, using Aluminum siding;

all of said work to be performed in accordance with specifications which are now on file in the office of the Superintendent of Schools, 5202 Lincoln Blvd., P. O. Box 157, Cypress, California.

Pursuant to the provisions of Section 1770 of the Labor Code, the Board of Trustees of said Cypress School District has ascertained the general prevailing rate of wages in the locality in which this work is to be performed for each type of workman needed to execute this contract. The prevailing hourly scale so ascertained is as follows:

Carpenter	\$2.0375	an hr.
Helper	1.75	an hr.
Electrician	2.40	an hr.
Helper	1.75	an hr.
Roofing	2.00	an hr.
Helper	1.75	an hr.
Cement Finisher	2.12	an hr.
Helper	1.50	an hr.
General Labor	1.48	an hr.

One and one-half times the prevailing rate of wages shall be paid any working time in excess of eight (8) hours in any one calendar day and for Saturdays, Sundays and legal holidays, unless otherwise noted. For less than eight (8) hours per day the rate shall be that fraction of the foregoing rates that the number of hours bears to eight (8).

Each bidder must submit with his bid a satisfactory check certified by a responsible bank or a bidder's bond made payable to the order of the Cypress School District in an amount not less than five percent (5%) of the sum bid as a guarantee that the bidder will enter into the proposed Contract if the same is awarded him. In the event of failure to enter into such Contract, the proceeds of the check will become the property of the Cypress School District of Orange County.

Each bid must be on a blank form furnished by the Cypress School District.

Copies of the plans and specifications and contract documents may be obtained at the office of said School District.

The successful bidder shall be required to furnish, at time of signing agreement, one (1) surety bond which shall protect the laborers and materialmen and shall be for fifty percent (50%) of the amount of the Contract, in accordance with Section 4204 of the Government Code, and one (1) surety bond in the amount of fifty percent (50%) of the Contract, guaranteeing the faithful performance of the Contract; said bonds to be first approved by the office of the County Counsel of Orange County.

The Board of Trustees of the Cypress School District reserves the right to reject any or all bids, and not necessarily accept the lowest price bid, and to waive any informality in any bid received. CYPRESS SCHOOL DISTRICT OF ORANGE COUNTY, CALIFORNIA. By D. T. MACKAY Clerk of its Board of Trustees.

CYPRESS LOCALS

Mrs. M. W. Parker is hospitalized in San Pedro community hospital this week, where she underwent surgery. Baby Terry Lee is being cared for by Mrs. Yvonne Jones, in Culver City.

Mrs. Ray E. Lucas, a Cypress resident until just recently, will enter the U. S. naval hospital in Long Beach where she will be a medical patient. Sergeant and Mrs. Lucas moved to El Toro marine base, where he is stationed, recently. Their home is in Cypress Manor.

Mr. and Mrs. Jack Baumann, 4615 East Orange avenue, are the parents of a daughter, Linda Marie, born on March 17. The baby weighed eight pounds at birth.

Howard and Ernest Essex, who have been the guests of their brother and sister-in-law, Mr. and Mrs. Earl Essex, for the past month, left on Sunday for their respective homes in Livingston, Montana, and Alliance, Nebraska.

Our Lady of Fatima Society met Wednesday afternoon at 1:30 p.m. at the home of Mrs. Ida Smith on Lincoln avenue. Thursday evening the group sponsored a bingo party at the Woman's club house in Buena Park.

Cypress Cleaners & Dyers
5515 Lincoln Avenue

Mrs. John Van Dyke and teenage daughter, Mary, are visiting from Idaho Falls, Idaho. They came to get acquainted with the new daughter of William Van Dyke, in Los Alamitos, who is about a month old. He is their grandson and nephew, respectively. They are spending a few days in the Jake Van Dyke home, also. John and Jake Van Dyke are brothers.

Mrs. C. H. Fender's daughter, Marian Hammond, was taken to the Anaheim community hospital Thursday for an emergency appendectomy. Marian is studying at Fullerton junior college, and this is her first year there.

Roger Williams and William Hughes have returned home from a three months' trip with the Merchant Marines which took them through the Panama Canal to Norfolk, Virginia, Providence Rhode Island and New York, then across the Atlantic to the Mediterranean to Oran, Algeria and Bizerte, Tunisia. They report a very pleasant trip.

Bobby and Billy Murdock are visiting here this week-end from Tujunga — object, the P.T.A. minstrel show. What the boys don't know, and will be mighty surprised to find out, is that Mama "Liza" Murdock is a principal character in the show's cast.

Don Bernhart is home again after spending two weeks in the Long Beach Community hospital.

Judy Belle Wicker was one of four pupils of the Butree studio in Anaheim who presented a piano recital Sunday evening.

Paul Galloway drove a group of young people to Snowcrest for a day of snow sports last Sunday. In the group were Peggy Mills, Barbara and Linda Galloway, Stephen Coffman, Ronald Korn, Stephen Stewart, and Carl Dillon.

Mrs. H. R. Wier of Phoenix, Oregon, is visiting at the home of her son-in-law and daughter, Mr. and Mrs. Bennie Pugh, as well as her mother, Mrs. Sarah Chapman and her sister, Mrs. Ralph Ellsworth. One Sunday, a family dinner took place in her honor at the Ellsworth home on South Walker street. Present were "Grandpa" Ellsworth of Long Beach; Mr. and Mrs. Glenn Miser and children, Shirley and Ralph, of Hawaiian Gardens, Mr. and Mrs. John Lukens and children, Suzanne and Robert, Mr. and Mrs. Bennie Pugh and daughter, Jillinda, Mr. and Mrs. Norville Chapman and daughter, Jayne, Mrs. Sarah Chapman, Harvey Ellsworth and son, Harvey, Jr., and Mrs. Wier.

Mr. and Mrs. Bob Hoyt were guests at a party last Saturday night at the home of Mr. and Mrs. Durward Miller in Long Beach. The Millers formerly lived in Cypress.

Payroll Savings Plan Helps Bond Buying in County

Southern Californians invested \$540,794 more in Series "E" United States Savings bonds last month than in February, 1948. J. B. Messick director of treasury bond sales for this area reported last week. E-bond sales were \$15,116,080, while \$8,187,269 invested in Series "E's" and "G's" brought the month's grand total to \$23,303,349, compared with \$14,575,268 "E's" and \$8,524,381 "F's" and "G's" for a total of \$23,099,667 in February, 1948.

Orange county's total of U. S. Savings bonds sales last month was \$648,684.50, of which \$391,288.50 went into Series "E."

Messick said that the U. S. Savings bonds division is encouraged by the upward trend in Series "E" sales as reflected in both the January and February reports this year. Largely responsible for the increase, he believes, is the active support now being given by top management of many companies to the Payroll Savings Plan

State Schools Alumni Form Special Clubs

Local University of California at Los Angeles alumni are organizing a "Bruin club of Orange county." Alumni and friends of the University met recently in Orange to initiate plans for the first group meeting tentatively set for April 14 at the "Y" hut on the Santa Ana high school campus.

The invitation to this first Bruin gathering is extended to all alumni and former students now residing in Orange county regardless of membership in the UCLA alumni association, it was learned. Planning to obtain a representative group of former Uclans from Orange county, the club will assume projects such as alumni scholarship funds and building suggestions for the ever-expanding campus.

for regular bond buying by employees and continuous effort by the banks in promoting bond sales to the public.
